**NIEUWKOOP**  
GREEN CENTRE  
*The Green Lifestyle®*

Dear relation,

Our joint markets are characterized by strong dynamics, innovation and creativity. For many years, we have been listening to our customers very carefully, so as to be able to guarantee the best possible tie-up with our purchaser groups.

Nieuwkoop Europe B.V. is in the process of realizing a magnificent trade centre at the site of its principal establishment in De Kwakel, to provide optimum service to you as a client.

The centre will bear the name **NGC**, **Nieuwkoop Green Centre**.

We want to amaze you with the speed and quality of service combined with a unique and high-quality product assortment. A challenge we are going to meet with a large number of well-known players in the hardware market.

**Alflora**  
**Bolsius**  
**Capital Ornaments**  
**Elho**  
**Emerald Eternal Green**  
**Hakbijl Glas**  
**O Living**  
**Ter Steege**  
**Van der Leeden**

In the plants segment we will meet the challenge by intensive collaboration with a large selection of renowned nursery specialists.

As from 11 October 2010, you will be most welcome at our NGC. The official opening will take place during our annual Open Days from 2 through 5 November. The opening hours of the NGC are on the back of this flyer.

We will keep you informed of any interesting developments via our website. Please contact us, if you have any specific questions.

Yours sincerely,

Nieuwkoop Europe B.V.
